It's finally here . . . HRD (High Resilient Dacron)
A new, high quality, cost effective product

NON petroleum based product !
OUT performs 1.8 density foam !

- * ***Great outdoor product: mildew-resistant, fast drying***
- * ***Fire Resistant (5 & 6-inch sheets)***
- * ***All sizes are easy to split in thickness and can be combined for different densities***

Sold by the sheet -- can be cut to size or pattern at no additional cost

SIZES IN STOCK	SIZE	COST/SHEET
1"	24" X 80" X 1"	\$11.00
3"	24" X 80" X 3"	\$31.00
5"	24" X 80" X 5"	\$52.00

Sheets are available in either Soft-Medium density, great for back inserts or Firm density, great for seat inserts.

Gluing different sheets together can result in any depth requested.

To dacron-wrap cushions, add \$15.00 per sheet. If cushion is 60" x 80" or larger, add \$20.00 per sheet. Sheets will ship semi-compressed to reduce shipping costs.

Sample pieces available by depth requested (1, 2, 3, 4, 5, or 6"): \$3.00 each, minimum of 3.
