KONNECT INTERNATIONAL Straight Track Pricing

AT-2 Aluminum Track in 8ft. length ----- \$6.00/ft
(Is slightly bendable, not as flexible as regular track)

#AR-2 Aluminum 90 degree piece ----- \$3.00

#AR-2 Rollers ----- \$0.25 each

#ACC-2 Ceiling mount cartridge----- \$0.25 each

#AEC-2 End Caps ----- \$0.20 each

Straight pieces for medium and standard track are available in 8 ft length; cost is the same as the flexible track. Minimum order – 6 pieces.

Straight standard or medium track can make a 90 degree turn.

When butting 2 straight pieces, put a mounting cartridge on each side of the connection. A splicer is available at \$1.00 each, often not necessary when using a ceiling mount but is essential for wall mounts.
