Poly Green: Made from recycled plastics, (great for outdoor product)

Traditional Poly Pillows: Are a non woven (Acord fabric) insert used for pillow stuffers-great for outdoor products

Prima Poly Pillows: Are made with a soft cotton cover for a fashionable finish.

Poly Silk Pillows: Are a great down alternative, feels & responds just like 100% down.

Our most luxurious polyester product. Machine Washable!

Poly can be used outdoors. The outdoor cover does well against mildew and moisture.

The fiber strands are solid and therefore do not collect water as hollow ones do.

Pillows are also available in light and firm fills.

Pillow samples are 12" X 12" and are \$3.00 each minimum 3 samples purchased.

Round pillows cost the same as **square** pillows. Boxed pillows: add box

size to pillow size (example 22"x22"x3" = same as 25"x25").

For case quantities, apply a 5% discount.
